

Crystal Stevie Nicks

G D Em Bm Am G D
Do you always trust your first initial feeling.

G D Em Bm Am G D
Special knowledge holds true, bears believing

G Am Bm C Bm Am
I turned around and the water was

G D Em D G
closing all around like a glove

C G Am G D C
Like the love that had finally, finally found me.

D Em C D Em
Then I knew in the crystalline knowledge of you

C D Em
Drove me through the mountains

C D Em
Through the crystal-like and clear water fountain

C D Em *Em D C* (*repeat 3x)
Drove me like a magnet, *to the sea* (*repeat 3x)

G D Em Bm Am G D
How the faces of love have changed turning the pages

G D Em Bm Am G D
And I have changed, oh, but you, you remain ageless

CHORUS:

G Am Bm C Bm Am
I turned around and the water was

G D Em D G
closing all around like a glove

C G Am G D C
Like the love that had finally, finally found me.

D Em C D Em
Then I knew in the crystalline knowledge of you

C D Em
Drove me through the mountains

C D Em
Through the crystal-like and clear water fountain

C D Em *Em D C* (*repeat 3x)
Drove me like a magnet, *to the sea* (*repeat 3x)
