

Hold On Forever

Rob Thomas

C C C C

C
Another night and here we are again
F G

And all our faults lay out ahead

C G
Let it out and let it right back in
F G

All those voices in your head

F G C F F
And we both know everything but we can't learn to leave
G C

So I'll tell you what you need:

C
First thing we make you feel better

G
Next stop we pull it all together

Dm
I'll keep you warm like a sweater

F G
Take my hand hold on forever

C
Just fall apart if you need to
G F
I'm here and I won't leave you now (how)
G N.C.

Don't look down (own), hold on forever

C C C C

C G
so lay down all your troubles end to end
F G

they could reach up to the stars

C G
so many roads you don't know where you've been
F G

but you still know who you are

F G C F F
and if I seem preoccupied I'm wondering what to do
G C

but here's my recipe for you
