

# Bringing In The Sheaves Shaw/Minor

D G  
Sowing in the morning, sowing seeds of kindness,  
D A7  
Sowing in the noontide and the dewy eve  
D G  
Waiting for the harvest, and the time of reaping,  
D A7 D  
We shall come rejoicing, bringing in the sheaves.

D G  
**Bringing in the sheaves, bringing in the sheaves,**  
D A7  
**We shall come rejoicing, bringing in the sheaves**  
D G  
**Bringing in the sheaves, bringing in the sheaves,**  
D A7 D  
**We shall come rejoicing, bringing in the sheaves**

D G  
Sowing in the sunshine, sowing in the shadows,  
D A7  
Fearing neither dark clouds nor winter's chilling breeze;  
D G  
By and by the harvest, and the labor ended,  
D A7 D  
we shall come rejoicing, bringing in the sheaves.

## CHORUS

D G  
Going forth with laughter, sowing for the Master,  
D A7  
Though the loss sustained, the child often grieves;  
D G  
When our weepings over, He will tell us gently,  
D A7 D  
We'll rejoice to heaven, bringing in the sheaves.
