riff - on C string play D (2) and Eb(3)

C Bb F C
You don't know where I come from, but I'm everywhere, and I'm looking for you.

C Bb F C
When I get my claws into you, you'll be under my spell, and you'll be feeling good.

C riff C riff C riff C riff
I give you cat scratch fever! Cat scratch fever! I give you cat scratch fever! Cat scratch fever!

C Bb F C
The first time that I scratch you, you'll see a little blood, I hope it don't make you swoon.

C Bb F C
If you go to see the Dr. he might give you a cure, unless you're under a full full moon.

You got the cat scratch fever! Cat scratch fever! You got the cat scratch fever! Cat scratch fever!

Bb G Bb G Bb C
It makes you dangerous, you feel no pain, you're gonna ch-ch-change
Bb G Bb G Bb 2225 77710 slide down to C
You know you got it when, a cat nip toy, turns a man, into a frisky boy!

"meooooow"

C Bb F C
Your tail will start a swishing and your hands will shake, you start prowling around

C Bb F C
You leap off of a building maybe ten stories high, and you land safe with your feeet on the ground
