```
G      Gmaj7             Em   G          C    Cm           G     D
   You sheltered me from harm;    kept me warm,    kept me warm
G      Gmaj7             Em   G          C    Cm        G     D
   You gave my life to me;       set me free,    set me free
Am          C            D    D  Am          C              D
  The finest years I ever knew,         were all the years I had with you
```

```
       C            G   Am   D   C          G         Am            D
And I would give anything I own,    give up my life, my heart, my home
C             G   Am   D  D       C              G
 I would give everything I own,  just to have you back again.
```

```
G      Gmaj7             Em   G          C  Cm          G     D
   You taught me how to love,      what it's of,      what it's of
G          Gmaj7             Em               G      F     C           G   G
   You never said too much, but still, you showed the way, and I knew,  from watching you
Am          C            D    Am          C              D
  Nobody else could ever know,     the part of me that can't let go
```

CHORUS

```
       Em                        Gmaj7          Cmaj7          Cmaj7
Is there someone you know, you're loving them so, but taking them all for granted?
          Am                       C
You may lose them one day, someone takes them away
          F                                 D
And they don't hear the words you long to say
```

```
       C            G   Am   D   C          G         Am            D
And I would give anything I own,    give up my life, my heart, my home
C             G   Am   D  D       C              G
 I would give everything I own,  just to have you back again.
        C              G...
Just to touch you once again
