

Take A Chance On Me ABBA

If you change your mind, I'm the first in line, honey I'm still free, take a chance on me
If you need me let me know gonna be around, If you've got no place to go if you're feeling down
If you're all alone when the pretty birds have flown, honey I'm still free, take a chance on me
Gonna do my very best and it ain't no lie, if you put me to the test, if you let me try
Take a chance on me Take a chance on me

We can go dancing, we can go walking, as long as we're together
Listen to some music, maybe just talking, get to know you better
'Cause you know I've got so much that I wanna do
When I dream I'm alone with you, it's magic
You want me to leave it there, afraid of a love affair
But I think you know - that I can't let go

If you change your mind, I'm the first in line, honey I'm still free, take a chance on me
If you need me let me know gonna be around, If you've got no place to go if you're feeling down
If you're all alone when the pretty birds have flown, honey I'm still free, take a chance on me
Gonna do my very best and it ain't no lie, if you put me to the test, if you let me try
Take a chance on me Take a chance on me

Oh you can take your time baby, I'm in no hurry, know I'm gonna get you

You don't wanna hurt me, baby don't worry, I ain't gonna let you

Let me tell you now, my love is strong enough

To last when things are rough, it's magic

You say that I waste my time, but I can't get you off my mind

No I can't let go - 'cause I love you so

If you change your mind, I'm the first in line, honey I'm still free, take a chance on me

If you need me let me know gonna be around, If you've got no place to go if you're feeling down

Ba-ba-ba-ba baaah, ba-ba-ba-ba baaah, honey I'm still free, take a chance on me

Gonna do my very best, honey can't you see, gotta put me to the test, take a chance on me

Ba-ba-ba-ba baaah, ba-ba-ba-ba baaah, honey I'm still free, take a chance on me

Gonna do my very best, honey can't you see, gotta put me to the test, take a chance on me

Take a chance on me Take a chance on me
